The Origins of the Greensborough Junior Football Club

The origins of the Greensborough Junior Football Club are closely linked to the origins of junior football in the Diamond Valley area.

In 1966, Greensborough Football Club President and All-Australian footballer, Joe Murphy, initiated the introduction of junior football to the Diamond Valley area. Two Greensborough under 15 teams, the Colts and the Rovers, played in the now disbanded Preston / Reservoir Junior Sunday Football League. Four Greensborough under 13 sides, known as the Blues, the Blacks, the Gold's and the Maroons, together with two Watsonia teams and one Montmorency team formed the Greensborough Midget League.

In 1968, the administration of junior football was handed over to the DVFL, and the competition commenced, as we know it today, with senior teams fielding Under 15 and Under 13 sides.

In 2001, Greensborough Junior Football Club with 11 teams in Under 10's through to Under 17's relocated to Anthony Beale Reserve with 2 grounds, a state of the art pavilion - the Premier Facility of the Diamond Valley League.

The Joe Murphy Trophy

Joe Murphy came to Greensborough from Fitzroy in 1954 as Captain-Coach and won the first of two DVFL Best and Fairest awards in that year.

From 1955 to 1958, he was Captain-Coach of Latrobe Football Club in the NWFU in Tasmania. He represented Tasmania in the State Carnivals and won All Australian selection. Returning to Greensborough in 1959 to set up his legal business, he was Captain-Coach of the 1960 and 1961 premiership sides, and won his second DVFL Best and Fairest award in 1961. Many observers regard Joe Murphy as the best player ever to play DVFL football. Following various positions on the Greensborough committee, Joe was Club President from 1966 - 68, and was the instigator of junior football in the area.

Everybody connected with DVFL football was saddened by the passing of Joe at a comparatively young age on June 7, 1985 from a terminal illness. In 1986, as a tribute to the vision of Joe Murphy, the Greensborough Junior Football Club created a perpetual award known as the Joe Murphy Trophy. It is awarded annually to the junior footballer that the committee considers the most outstanding for that year. A shield is displayed in the clubrooms, and the player is presented with a trophy.

SEASON 2011 JOE MURPHY TROPHY

Joe Murphy was a founding member of our club and the trophy in his honour is awarded to the junior footballer the committee considers the most outstanding for the year.

COACHES REPORTS

SEASON 2011

UNDER 9 – WHITE – No report submitted

UNDER 9 – GREEN – No report submitted

UNDER 10 – BLUE – No report submitted

UNDER 11 – RED –

An incredible year and I had the time of my life.

Training started in late Feb and our main focus was on skill development, fun and bonding together as a team, I am a strong believer that you can still train hard and have fun at the same time.

We had a number of new players who all made a great contribution, Jesse Smith was our leading goal kicker, Keli Leaupepe had a huge presence on the field an incredible tackler, Bailey Clarke waited until Grand Final day to kick his first goal, Brock Thornbury skill improved enormously, Olly (flash) Slingsby improvement is a credit to his enthusiasm and hard work, Rayden stayed in the 11s and won our B&F and Troy Coleman won best finals player, we also had a huge number of boys kick their first goals.

We worked hard on the skills and the 1%ers and as they improved the boys were thrown tougher challenges and I hope now have a better understanding of the game and what it takes to improve.

An example of their improvement was a drill where 2 teams race the ball from one end to the other with each playing touching the ball, in April the time was 27secs and in August they were just under 20secs.

Game day was kept simple, back line head wide, full back kick to ruckman, play in front, punch from behind, try hard, share the ball and play as a team etc

The 1%ers were drummed into them from day one and how important they were in football, and this proved vital in our finals campaign by being the best in our division at them. Hydration and rest were also introduced and how important they are to perform to the max, not sure how many took it on board, but it may have helped some especially on the warmish grand final day.

During our home and away season each player was given 3 quarters and played in a

variety of positions and by finals time we knew the best position for them to benefit the team.

Thanks to all the parents, as I have said we are the nicest in the competition, and to those who help each week a special thanks, you know who you are or who you aren't.

A massive thanks to our team manager Clayton (grumpy) Doig, Bairdy for being our assistant I could not have done it with out him, Macca for being our runner each week and anyone who helped out at training, also a big thanks to Sue Thomas and Colin Filip as number 1 and 2 water people and Sam Bown and Leslie Slingsby and anyone who helped with the banner and pom poms, it made our GF even more special for the boys.

Thanks to the Committee for entrusting me in this position, a year I will never forget.

Thanks to Hoggy for all his help through out the year.

Thanks to Jenny and Jaymee, for putting up with 2 obsessed footy nuts.

Thanks to Canny and Stuey for their support and advice from time to time.

Thanks to my Friday night boys, a fun night, but still a valuable one.

Our boys proved that with hard work and the right attitude you can improve greatly and who would have thought become PREMIERS, we are all very proud.

Finally, I was inspired to take this job on by a great mate of mine, Bairdys, and Canny`s, and many others, he died in February this year, Neil (COWBOY) Carroll, he played and coached without fear of failure, a massive heart, and gave everything 200%, I thought about him a lot more during the finals series and I am sure he would be proud. For those who are not aware Cowboy donated the Gym the Juniors now have just before he passed away even though he had lost the Greensborough Senior Coaching job, a True Boro Boy. R.I.P.

UNDER 13 – BLUE – No report submitted

UNDER 14 – GREEN -

Thanks to all the boys who played in the Greensborough Under 14 Green division team for 2011. Everyone who played during the season improved as a player & we all made a better team as the season went on. Although we only won 3 games we were competitive and everyone should be proud of their efforts on the field, at training and around the club.

Thanks to the following people who helped make it all happen:

Mark Nixon (Assistant Coach)

Steve Gunther (Runner)

Christine Vocal (Team Manager)

Ben (The greatest Boundary Umpire)

Thank you to all the parents who helped allow the boys to run onto the footy field each week.

Adam French (Coach)

UNDER 14- BLUE -

Our initial aim was to finish in the Finals, but after half the season we found ourselves on top of the ladder, so expectations rose sharply. We finished the season on top of the ladder, quite an achievement, made it to the Grand Final, but lost by only 11 points.

Even though this result was most disappointing, there were many highlights throughout the year, such as:

Finishing the Home & Away with 11 wins, 3 Losses.

8 players being invited to try out with the NFL rep Team.

I would like to take this opportunity to thank the following people who gave up their time to help develop these boys, they are as follows:

Paul Sharwood, Marcus Gleave (Coaches)

Grant Ellul (Assistant Coach)

Greg Lyne (Coaching Panel)

Les Hill (Coaching Panel)

Paula Lyne (Team Manager of the Century)

I would also like to thank the many Parents that get involved each & every week, your boys & I truly appreciate it.

UNDER 15 – BLUE -

Our aim leading into the season was to make the finals in a very strong division 1 competition. As we got to the start of the season it became clear that we were going to struggle for numbers and would play most games with no players on the bench. The boys deserve a lot of credit for the way they played the whole season giving their best to the very end of each game no matter what the situation was on the scoreboard. We finished the season off with a great win that I hope will see the boys encouraged to return for the 2012 season.

I would like to thank the following people for their time, effort and support throughout the year:

Warren Richards Team Manager

Brendan Dowse Runner & Assistant coach

Dale Tindal Assistant training coach

Daniel Mason Boundry

Dale Welch Medic

Trudi Tindal Medic

On behalf of Warren Richards and myself, I would also like to thank all the parents for their support and willingness to help out with all jobs that need to be done on match day, a better group of parents would be very difficult to find.

Congratulations to Nick Mackay on finishing equal 3rd in the competition best & fairest.

UNDER 16 – BLUE – No report submitted

UNDER 17 – BLUE –

The Under 17's season started in late January, and it commenced with a 10 lap time trial to see where the boys were at, fitness wise. Out of the 19 boys who came, about 5 had decent times, then there was a handful that couldn't complete. So getting the fitness up in pre- season was a top priority.

Once the season had begun, we believed we had a good fitness base and the right mind set to get off to a good start, which we did. We won our first four games by over 100 points. Unfortunatley that didn't continue. The boys had their grand final rematch the following week and lost by 5 goals, but mentally we lost a lot more than that. We struggled from then on after , our confidence dropped and with injury building, we weren't able to capture our early form and finished the season in 5th position. In all I saw individual improvement in all players, which will help them for senior football.

Coach - Jack Aldersea

PRESIDENTS REPORT

Hello one and all It was great to be back at the helm this year!

Our kids had fun and enjoyed physical activity and a great social forum in a structured and I hope nurturing environment.

The Club is there so adults can also benefit from these activities, because this is a family club, for the family, so parents can take part in their children`s sport in a large or a small way.

The season kicked off with teams in every age group and for the first time 2 under 9s as well as two under 14s teams, so far so good!

As the season progressed we had some outstanding performances from both our teams and some individuals at the club who really hit their stride and made all involved proud. I was fortunate enough to go to the NFL jnr presentation night where we as a club did exceptionally well. We had representatives in the top six in most divisions we play in. Well done to James Delacca for second best and fairest, also Ducky Phelan for third best and fairest and Nick Mackay for third place as well. Well done to all the boys as well as Julian Soccio for his efforts representing Victoria, and also his Northern Nights commitments .

The season was stunted for our club having only the use of one ground for part of the season due to slow growth on the top oval. However we soldiered on and did what we do, and that is to find a way to play Footy.

Greensborough Junior Football club was the focus for a lot of reasons this year some good and some bad. Unfortunately the bad consumed a lot of time and effort with many of our committee meetings discussing negatives and the Executive committee having far too many meetings so as to form a response or action plan to deal with issues that were affecting the club in a negative way. But yes you have to take the good with the bad and it is all just a part of running a club.

Let`s do what we do well and everything else will fall into place in regards to works and also sponsorship,

What we do well is play FOOTBALL, for we are a football club! A junior one that is, and that should NOT be forgotten.

Being a junior club we have certain responsibilities to both the Community as a whole and our junior players.

A big thank you too the general committee and the executive who put in a huge amount of work and hours just trying to cover meetings with councils, sponsors and individuals as well as all the correspondence that goes with it!

And also a big thank you to all that are doing the course at the club which will bring in thousands of extra dollars to the club.

The Club has a healthy bank balance at the moment but it must be managed well because without a decent income stream via sponsors or increased membership, or canteen revenue it won`t last long at all.

So thanks to the social committee for all the events, thanks to the Coaches and support staff, thanks to the merchandise team and to all the people that do so much unseen work.

Philip Grice
President GJFC
