

Greensborough Junior Football Club

2016

Sponsorship Media Opportunities

Dear Potential Sponsor,

The Greensborough Junior Football Club (GJFC) Sponsorship Committee has great pleasure in launching our 2016 sponsorship & support packages. Your contribution, whether personal or business, is invaluable and will benefit the club immensely. GJFC was established in 1964 and is the oldest junior club in the area. With teams from Under 9 - Under 17 Boys and Girls teams in 10, 12, 14, 16 and 18 divisions. In 2015 we had the U13 boys and U16 girls win premierships and u16 boys runners up.

The Greensborough Junior Football Club (GJFC) is a growing Football club which is represented by the families of our local community. As we are a not-for-profit community organization, the Greensborough Junior Football Club depends on the support of local businesses in our community, to provide an outstanding opportunity to develop our young members, families and supporters.

The club has extensive community exposure to promote and market your business, whilst supporting this local community fixture. Please take the time to review the various opportunities at varying investment levels. Our aim is to partner with all our sponsors to ensure you achieve support, consistent exposure to our member base and community. Please feel free to call or email to discuss how sponsorship could support your business to grow, while supporting our local club in the community at the same time.
