

JUMPER POLICY

PURPOSE

Greensborough Junior Football Club (GJFC) was established in 1964 and is the oldest junior football club in the Diamond Valley area. GJFC is a growing football club that aims to build the Diamond Valley's most inclusive and supportive community sporting club.

This document outlines the policy and procedure for the allocation and management of playing jumpers.

GJFC makes a significant investment in purchasing and maintaining sufficient jumpers for the players representing the club.

This policy is designed to streamline the task of jumper allocation and to make it as fair as possible for all when it comes to jumper and number allocation. This policy also assists in keeping fees down by reducing the need to replace missing or damaged jumpers each year.

SCOPE

This policy applies to all Greensborough Junior Football Club teams and players.

POLICY

1. Jumpers remain the property of GJFC at all times.
2. At the start of each season all GJFC players will be issued with a jumper.
3. Each Team Manager is responsible for allocating jumper numbers to each player, and maintaining a record of this allocation.
4. There are two styles of playing jumper available. Sleeveless microfibre (U10 boys and all age groups above) and Long sleeve microfibre (U9 Mixed and U10 Girls and Mixed).
5. Players who have played previous seasons with GJFC will have priority access to the jumper number they wore in the previous season.
6. If a request for a specific number is made by a player other than the player that had the number the previous year, the Team Manager must establish if the player who wore that number in the previous season intends to keep the same number. If the player from the previous season does not intend to wear that number again, it may be allocated to the requesting player.
7. The jumper and number allocated to a player at the start of the season will be the player's jumper and number for the remainder of the season.
8. On Match Day, players are only permitted to wear the jumper previously issued to them by the Team Manager, or other GJFC representative.
9. The jumper, its number and/or sponsorship markings must not be altered in any way.
10. Jumpers will not be issued unless all monies owed to the club have been paid.
11. Any lost/damaged jumpers should be reported to the Team Manager as soon as practicable, and a \$70 fee will be charged. The Team Manager will report all losses and damages to the Team Manager Coordinator for reporting to the Committee.
12. Players are responsible for the care and cleaning of their allocated jumper for the duration of the season.
13. Jumpers must be returned at the end of the team's last game of the season in good condition.
14. Until such time as a player returns his or her jumper, that player is not entitled to:
 - receive an end of season award;
 - receive team photos;
 - receive a jumper the following season;
 - have a transfer to another club approved by GJFC.
15. If a jumper has not been returned within 7 days after the team's last game of the season (or a plan made with the Team Manager for return), GJFC is entitled to issue invoice for the full replacement cost of the jumper (\$70) and that amount will be a debt due to GJFC.
16. In exceptional circumstances, a request for a change in jumper number allocated to a player will be managed by the Coach, with the Coach having final say over whether a jumper number can be changed after allocation.
