Under 17	Glen Oakley
Under 18 G	Les Hill

U9 Green – Damien Toomey

After losing our first year of development in 2020 the players in under 9 green had a lot of catching up to do. The year was spent working on the basic skills of football: kicking, marking and hand balling and the more specific areas of game sense. The assistant coaches Anthony, Michael and Brad worked closely with the boys and Scarlett on game day. Their continual encouragement and support of the kids allowed them to feel comfortable to try their best and be part of a team environment. The team had a fantastic year with improvement happening each game.

Kaine Plumber took on the big job of being the under 9 liaison and also under 9 green Team Manager. Thank you to all parents who were great supporters of the kids and coaches and shared the responsibilities that come with putting a football team on the park

Under 9 Green Coach

Damien Toomey

U9 Silver – Coaches Report

Hi there,

Unfortunately, this brings us to the end of the year, sadly missing a few games this season. I am glad we were able to play the games that we did.

As a team we managed to only lose one game which was a great effort by all. Every player also managed to kick a goal throughout the season.

The boys grew as the season went on and really worked well as complete team.

Each and every player on the team did exceptionally well.

Firstly, I would like to give an enormous thanks to Travis McKellar for managing our team throughout the season like he had been doing it for years. He was always available for anybody, answering my questions during the week at all hours, making sure everyone had all the information needed and getting us organized. Thanks Trav,

we couldn't have done it without you.

Also, a big thanks to the three assistant coaches, Jeff, Richard and Leigh. Great effort lads, thanks for being at all our training sessions and games to help teach, encourage and motivate the boys. You helped and taught me a lot throughout the season, and I thank you for that. You all did a great job, well done.

Also, a big thanks to Dan, our weekly first aider, and Brent for being our warm-up coach and resident fill in coach when needed.

To all the boys, thanks for a great season. We are all so proud of each and every one of you. You all did a great job and are an amazing group of lads. To the boys going up to Under 10s, good luck, keep being you and working hard, you have lots of great footy ahead. To all the boys staying in Under 9s, great first season, again, keep being you and you will most definitely have another great season and I will see you next year.

Lastly, thanks to all the parents for slowing down the drinking on Saturday nights to get the boys to an oval somewhere early on a Sunday morning, battling the weather, and making sure the kids were ready and have everything they need. Also, thanks for week in, week out volunteering your time to help out. The team only works with the help and support of dedicated parents, thanks to everyone.

Keep safe everyone, thanks for a great year. Looking forward to next season, hopefully with a bit more normality!

Take care,

Damo

U11 Black – Coaches Report Paul Hattenfels

We commenced training at the earliest opportunity, in November, 2020, with a view to encouraging the boys to get back in the swing of things and reinforce the basic game plans that had been established during previous years. Of the 20 confirmed players in the team, 19 had played in the Covid interrupted Under 10's team.

The initial training block focused on skill development and fitness, with all the boys attending a majority of the sessions.

After Christmas we continued to focus on development, ramping up the fitness aspect, along with establishing structure and ball movement objectives.

Once the practice matches commenced players were exposed to playing in many varied positions to develop both offensive and defensive aspects of the game. This philosophy of moving players during games continued throughout the season.

The season started well with some impressive games and wins however, just before the 1st Covid break we put in a disappointing performance leading to a loss. On reflection, this performance was attributed to a lack of focus / attitude and was a good reminder that football is not only a physical game, but also a mental game.

Upon returning from the Covid break we were on fire. Each game played finished in impressive wins, with the closest margin being over 5 goals.

Towards the end of the season we started to assign players to positions that would likely be their positions for finals.

At the time the 2nd Covid break commenced we were clearly in 2nd position and headed for the finals, looking to topple Yarrambat when it mattered.

Unfortunately, we were not afforded the opportunity to challenge Yarrambat as the season was called off.

I would assess the season as being successful. We ticked the boxes of development, discipline, leadership and fun. As the year progressed it was clearly evident that ball movement and game sense led to game on game improvement.

Thanks to;

Team Manager, Kylie Campbell, for all the hard work and time she has put in over the past 2 years. We don't get on the park without her.

Assistant coach Daniel Keenan (Bomber) who provided significant assistance with all aspects of coaching.

Line coaches Ross Campbell (defence), Damien Toomey / Matt Pascoe (forward / runner).

Paramedic Jason Montfort for undertaking the 1st Aid role most weeks (when available).

All parents who assisted in the many roles required to allow the boys to play.

Looking forward to an uninterrupted 2022 and further development.

Thanks,

PH.

U11 Green Coaches Report 2021

2021 was the first year this team came together from 3 teams from U9's. Early on in the year, we worked on getting to know each other and the kids worked together to become a true team by the end of the season. All the kid's skills have improved, and their confidence has thrived. By the end of the season, we were competitive against every team in our division, and we would have been truly competitive in the finals had we had this chance. Finishing 2nd in our division was a true reward for the work the kids put in this season. All the boys should be truly proud of their tenacity and efforts throughout the year.

Thank you to all our parents, we have an amazing group of families who all contribute and fill the team roles each week, to make it a real pleasure to be involved. My assistant this year, John Naish has been a constant support and great ear throughout the season, it makes my job easier having him by my side. Ben Graham in his role as Team Manager is always on top of everything, Thank you. Thank you also to Luke Mason as our runner, Daniel Ingram running the boundary every week and his on-field coaching. Garret O'Donoghue and Paige MacDonald filling the role as Medic, a bit more work this year. Last but not least, John Toussaint for goal umpire.

Well done to our award winners this year. This is one of the hardest things I found to do this year, extremely hard to choose when all the kids put in so much effort every week.

Best and Fairest	Taj Sigley
2 nd Best and Fairest	James Georgeson
3 rd Best and Fairest	William Naish
Coaches Award	Tyler Black
Coaches Award	Riley King
Team Player of the Year	Noah Lanyon
Most determined	Bailey Rowe
Most Improved	Damon Graham

Really looking forward to this team playing together in U12's. I believe this team shows great promise and it has been my absolute pleasure to be the coach.

Paul Sigley

Under 13 – Matt Bell

After missing an entire season in 2020, it was fantastic for the parents and players alike to manage to get onto the park and play competitive footy again. It was fantastic for the club to pick up so many new players over the 2020/2021 period, and it was great to see how well the team bonded throughout the year. Every player contributed in some way to the team, and that was extremely important as the team improved throughout the year.

Overall, we were graded in a really competitive division; demonstrated by a lot of close matches. Our team defence improved throughout the year, keeping us in matches longer. We just needed to find more avenues to goal, and we may have turned those close losses into wins. It was unfortunate that the COVID breaks seems to come as we were building momentum, we had some really good wins, and some heart-breaking losses, however that's footy.

We had some great nights on the training track, a lot of fun not only for the players, but also, for coaching staff and parent helpers. Our improvement on gameday was a direct result of the commitment and effort put in during the week at training. This is an area for improvement, pre-season training is an important in player development and a major step to building a successful season.

It was a pleasure to coach a great group of players, I personally really enjoyed the year. Thanks to all parent

helpers and especially team managers Jade and Mel. I hope to see everyone on presentation day.

6. Achievements & Objectives

Successful Grant application –

Sporting Club Grants Program **\$3,500.**

The funds from the Grant are to be allocated towards medals and Presentation & Rego Day costs.

Toyota Good For Footy Raffle

Total Funds raised **\$3,630**

The funds from the sale of raffle tickets is to cover the cost a professional game day medic

7. GJFC Origins & History

GREENSBOROUGH JUNIOR FOOTBALL CLUB INCORPORATED Founded 1964

Affiliated Northern Football Netball League

The origins of the Greensborough Junior Football Club are closely linked to the origins of junior football in the Diamond Valley area.

In 1966, Greensborough Football Club President and All-Australian footballer, Joe Murphy, initiated the introduction of junior football to the Diamond Valley area. Two Greensborough under 15 teams, the Colts and the Rovers, played in the now disbanded Preston / Reservoir Junior Sunday Football League. Four Greensborough under 13 sides, known as the Blues, the Blacks, the Gold's and the Maroons, together with two Watsonia teams and one Montmorency team formed the Greensborough Midget League.

In 1968, the administration of junior football was handed over to the DVFL, and the competition commenced, as we know it today, with senior teams fielding Under 15 and Under 13 sides.

In 2001, Greensborough Junior Football Club with 11 teams in Under 10's through to Under 17's relocated to Anthony Beale Reserve with 2 grounds, a state of the art pavilion - the Premier Facility of the Diamond Valley League.

Girls' football was introduced to the Greensborough Junior Football Club in 2015. In the first year there were 3 teams; U12s, U15s and U18s. A successful start with the U15s winning the premiership.

8. Joe Murphy Trophy

Joe Murphy came to Greensborough from Fitzroy in 1954 as Captain-Coach and won the first of two DVFL Best and Fairest awards in that year.

From 1955 to 1958, he was Captain-Coach of Latrobe Football Club in the NWFU in Tasmania. He represented Tasmania in the State Carnivals and won All Australian selection. Returning to Greensborough in 1959 to set up his legal business, he was Captain-Coach of the 1960 and 1961 premiership sides, and won his second DVFL Best and Fairest award in 1961. Many observers regard Joe Murphy as the best player ever to play DVFL football. Following various positions on the Greensborough committee, Joe was Club President from 1966 - 68, and was the instigator of junior football in the area.

Everybody connected with DVFL football was saddened by the passing of Joe at a comparatively young age on June 7, 1985 from a terminal illness. In 1986, as a tribute to the vision of Joe Murphy, the Greensborough Junior Football Club created a perpetual award known as the Joe Murphy Trophy. It is awarded annually to the junior footballer that the committee considers the most outstanding for that year. A shield is displayed in the clubrooms, and the player is presented with a trophy.

The Trophy reads – **“Awarded to the player who embraces & represents the Clubs values and the spirit of Club founder Joe Murphy”**

Congratulations to our first female recipient of the Joe Murphy Trophy Emmison Zeally

9. Ray Dickson Award

The Ray Dickson award was started in season 2018 in respect to one of the founders of our great club. Ray was a very passionate coach who dedicated his time to helping develop all his players to be better players and better people. Ray coached to give every player the opportunity to play at the highest level that they could and gave positive feedback to all. He also taught his players about respecting the community and the people that helped our club grow.

This is awarded annually to the Junior Football Coach that the Executive consider the most outstanding for that year. A shield is displayed in the social rooms and the coach is presented with a trophy.

Congratulations to our 2021 recipient Les Hill

14. President Report

2021 was a season like no other. After the 2020 season was abandoned due to the Covid-19 pandemic without a game being played, high hopes were held for an uninterrupted return to football.

As all of us had to adjust to a "new normal" pre-season training began under strict social distancing rules with the culmination being the two weekends of practice matches - the first away against St Mary's and the second was home facing Yarrambat. The attendance for the Yarrambat games was massive and you had the feeling that people just wanted to see a local game of football again.

Covid-19 restrictions and regulations were in place and this was to continue for the duration of the season. We managed to get seven uninterrupted rounds in before we were shut down for a couple of weeks. Fortunately we were able to complete another five rounds before the season was again shut down then ultimately abandoned.

Twelve sides were fielded in 2021 - Under 9 Green, Under 9 White, Under 9 Silver, Under 10, Under 11 Green, Under 11 Black, Under 12, Under 13, Under 15, Under 16, Under 17 and Under 18 Girls. Numbers are quite strong in the younger age groups and we hope to introduce an Under 10 Girls side next year.

Congratulations to the Under 12s who were on top of the ladder when the season was abandoned and were declared premiers by the NFNL. Likewise to the Under 11s Green and Black sides who were both in second position and were named runners-up. A great effort by all involved in those teams.

It was not the way the Under 17s would have wanted to finish their time at the Club, managing to get 12 games in this season, after missing the entire of 2020 season due to the pandemic. I wish all of these young men the best in their future sporting endeavours, wherever they may be.

Off the field there was plenty of work to be done and as almost the entirety of the executive were first timers in their roles and attempting to get the season underway during a pandemic we were presented with numerous challenges.

Yes there were hiccups along the way and some errors made but we learn by our mistakes and I'm proud of what my executive and committee achieved as a whole in challenging times.

Everyone has been impacted by the Covid-19 pandemic during the last two years. If you ever feel like you need support or want to talk to somebody just reach out and ask. Club people support their families through trying times and support each other. Please don't bottle things up, talk to somebody.

#staysafe #ruokay?

Appreciation -

The executive of any Club do a power of work and this Club is no different. The commitment it takes to fulfil each role must never be under-estimated and always appreciated. I thank each and every one of the executive for the countless hours devoted to the Club. They are;

Jacinta Elliott was appointed Interim Vice President in May and was a great support for me. Jacinta has devoted plenty of time to help restructure the club for the coming seasons, was a big presence on game day running the barbecue, directing traffic, cleaning up and assisting in the canteen - or anywhere else that was required! Not only that, Jacinta was also the Under 12s Team Manager so there was plenty on her plate and it was a big ask of me to fill the vacated Vice Presidency role but I knew that Jacinta could be relied upon.

Jodie Fuller served as Secretary and as such most of that work is done behind the scenes and away from the Club. The Secretary keeps the Club ticking over on a weekly basis and there was plenty of work to do.

Katherine Gibbons was our Assistant Secretary and would often take minutes at executive and committee meetings. Katherine also updated our policies and was the Club's Covid officer, which was a thankless task.

Melissa Halley began the year as Assistant Treasurer then stepped into the Treasury role in January. Treasury is a role that in its nature brings a lot of pressure so this was a big ask of someone who had never done the role before. Combined with the Canteen Manager role Melissa devoted many hours of her time to the Club, often at the expense of not being able to watch her son Nathan play. Melissa eventually relinquished the Treasury role, which freed up her time somewhat and allowed more time to be devoted to her family.

Dean Eldridge moved into the role of Treasurer after a public call out for help and I am grateful for Dean's assistance, bringing his business skills to the Club. Dean also has coached for a number of years and this year coached the Under 12s so it was a big commitment from someone who has the Club at heart.

Scott Bennett was someone I knew to say hello to but I didn't really know what kind of person he was. It speaks volumes of Scott's character that not only has he stayed involved at the Club after his kids are now too old to play juniors, he coached our Under 16s and filled an executive role as Football Director. This tells me that he truly loves what he does or his wife doesn't want him around that much! Maybe a bit of both! The Football Director role was often difficult to fulfil everyone's needs and wishes and Scott did his best to keep all parties happy. An awesome effort this year Scott, I don't know what I would have done without you.

All clubs need a general committee to perform the tasks that often go unnoticed by many and are appreciated by few.

Marc Vangelista was a great support for me. Marc has been at the Club longer than me and knows the ins and outs of most things around the place. Always happy to help out on game day assisting the coach or off the field setting the grounds and rooms up, Marc is a valued asset of the Club. Marc was on the W.A. committee and helped to raise funds for the forthcoming tour. I hope he still has the time and energy to devote to the Club in the years to come.

Sara Flottl took on a new job in January so stood down as Treasurer and I was delighted that Sara stayed on the general committee. Sara ran the communications area which encompasses everything from the weekly newsletter to Facebook, TeamApp etc. Sara has performed numerous roles in my time at the Club and I cannot speak highly enough of her. After we went into lockdown Sara drove our campaign to turn the lights on each night for the members and locals. Banyule Council backflipped on their decision due to the weight of media attention and public pressure. A lesson for us all - don't rub Sara up the wrong way!

Jaime Pollard managed and sold our Merchandise as well as assisting in the canteen, on the barbecue, time keeping or anything else that was requested. Jaime's bubbly personality and constant smiles helped keep me going on those cold and sometimes dreary mornings.

Kerriann Sigley was in charge of the Team Managers and also oversaw player registrations, two very important roles. Most of this work is done away from the Club so thanks for balancing this with your family life. Kerriann also put the team kits together, which was a huge task after the 2020 season was abandoned.

Kon Dalianis would be an asset to any Club and I am grateful that Kon decided to stay on the general committee after filling an executive role in the past. If I needed clarification on anything I knew that I could consult Kon and get a knowledgeable answer that would provide clarity to the issue at hand.

Les Hill is a worker. Les can be found either stocking the cool room, marking the ovals, manning the barbecue, coaching his beloved Under 18 girls' team or anywhere else that he is needed. It's no wonder Les is an admired and respected member of the GJFC.

Lyndahl Adonis came on board mid-season after a call out to help our undermanned committee. Lyndahl brought fresh ideas, oversaw the Good for Footy raffle, volunteered to help with Sponsorship and orchestrated the kid's show bags for Presentation Day.

Stuart Lavendar also joined the committee mid-season and worked with Lyndahl on Sponsorship. Stuart's measured demeanour is very welcome!

Craig Dimech marked the ovals prior to each round and ensured their upkeep over the course of the season.

Scott Devers ran the Glen Katherine Auskick program which traditionally is a feeder for our Club. The program has gone from strength to strength over the past few years and 165 girls and boys were participants. It was difficult to get a car park on a Friday night! Thanks Scott for all of your work to ensure a fantastic program was run and a good time had by all.

I would also like to acknowledge the work of Peta Hill, who ran the bar at our "On the Couch" Sunday nights and Jayde Andrew who ran the canteen on match days as well as the many girls, boys and parents who assisted in the canteen.

It takes many people to run a Club so thanks must go to all of the parents from each grade who fill roles every Sunday to ensure our kids have the best experience representing the Greensborough Junior Football Club.

Thanks also to those who dedicate their own time to assist with teams, namely Coaches and Team Managers, who without your dedication the kids wouldn't be able to play.

Last but by no means the least a huge thank you very much to all of the boys and girls who wore the GJFC colours this year, representing the Club with dignity, respect and good sportsmanship. The Club is proud of you all and hope to see you back in 2022.

President

15. Secretary Report

It goes without saying that there was certainly a lot of hope that 2021 was going to be the year that gets us back on track for the kids to be playing sport.

However, here we go again looking forward to the following season to bring back normality. Not just for the kids but for all us.

There are still many things we need to achieve as a committee, top oval scoreboard, new sponsorships, updating our honour boards, perpetual trophies, freshen up the club rooms, and many more.

In the little time that we did have we were able to get a Medic for our homes games, new massage tables for our change rooms, and a medic tent.

So far 2022, is looking to be a great year for us all to come back together and enjoy being a strong community once again.

I would like to thank everyone who has helped this season, from Committee, volunteers, parents and of course our players.

I can't wait for 2022, it's going to be a fantastic year see you all very soon!

Jodie Fuller
Secretary

16.Treasurer Report

Good evening all,

I filled the role mid-season when the majority of work had already been completed by the assistant treasurer.

It has taken some time to understand the way the club operates and has come to light there are a few areas that need some attention, such as the way we account for merchandise and the allocation of funds coming from eftpos machines on trading days. It has been very difficult to ascertain what funds are actually coming in to which department. After discussions with the President, Vice President and Secretary we have decided that a new system vital for accurate accounting, Squared has a simple user interface and will streamline the day to day operations of the club. We have also decided to change our accounting software from MYOB to Xero, There has been a significant issue with MYOB migrating there system which has seen the system purge data and not carry across to our system after the migration.

With the season completed we will show a net loss of \$3416.60, this being said we have had \$3450.80 carry over to the 2022 season due to accounting issues with MYOB. All things considered it is positive to see we have held our financial position and have a new season with minimal impacts ahead of us.

Kind Regards

Dean Eldridge

17. Club Theme Song

All my life I wanted to be a Boro Boy/Girl
A Boro boy/girl I always wanted to be.
We are the premiers of the
Northern Football League,
The best team,
The top team,
We really are the side.

We do our best to show the rest ability,
We make the ball the object every time,
And if you want to mix it,
We've got the boys/girls to fix it.
We are the mighty Boro every time.

UP THE BORO!
