

# GREENSBOROUGH JUNIOR FOOTBALL CLUB

## Jumper Policy

### 1. Purpose

This document outlines the policy and procedure for the allocation and management of playing jumpers.

Greensborough Junior Football Club (the club) has a significant cost in both purchasing and maintaining sufficient jumpers for the number of players representing the club. When required, the club must purchase new stock from the Northern Football League's supplier.

This policy is designed to streamline the task of jumper allocation and to make it as fair as possible for all when it comes to jumper and number allocation. The policy also assists in keeping fees down by reducing the need to replace missing or damaged jumpers each year.

---

### 2. Scope

The following policy applies to all teams and players.

---

### 3. Policy

1. Jumpers remain the property of the GJFC at all times.
2. Jumpers must be returned at the end of the season (Girls and Boys teams)
3. Only one style of jumper is available. Sleeveless, micro fibre. (Except for under 9 teams)
4. Team Managers are responsible for the allocation of jumpers to players prior to the start of the season.
5. Players from the previous season will have priority access to the jumper number they wore in that season for the upcoming season.
6. If a request for a number is made by a player other than the player that had the number the previous year, the team manager is to make enquiries with the player from the previous season that had that number. If the player from the previous season does not intend to wear that number for the upcoming season, then it may be allocated to the requesting player.
7. Jumper numbers will be allocated prior to, 'jumper presentation day'. Jumpers in the allocated number will be presented to players at the jumper presentation day. That will be the player's jumper and number for the remainder of the upcoming season.
8. On match day players are only permitted to wear jumpers issued by the Team Manager for the team for which they are playing.
9. The jumper, it's number and / or sponsorship markings, must not be altered in anyway.

10. Jumpers will not be issued and / or numbers allocated unless all monies owed to the club have been paid.
11. A fee of \$60 is incurred if a jumper is lost or damaged.
12. In exceptional circumstances, a request for a change in jumper number allocated to a player is to be managed by the coach, with the coach having final say if an agreement can not be reached by players. The coach's decision is final.
